"teachers are human. a few have required of us the best we have been able to give; these have required the same of themselves. many have merely "served time" with us. so — in your search for truth, do not absorb their ideas — just whatever knowledge they have to offer."

the 1971-72 football season was of great significance for me. most of the young men on the team had undergone three previous years of my program. in essence, we were all seniors, this being my fourth year here at jm.

in another respect, this was supposed to be our year. i feel that it was too. i know, and the fellows know, that a couple of key injuries caused us not to win the state championship.

i wish to thank and praise our graduating seniors and hope they all achieve success and happiness.

sonny wilburn

hoping to become varsity stars are the hardworking members of the junior varsity football team.

1st row — kay dowd, penny jordan, francis dowd, sandy bowers, debbie johnson, kathy brooks, melinda snipes, gloria hancock, mary mensch, angela reives. 2nd row — connie phillips, nancy ferguson, bonnie clapp.

lady jets

come back, kay, here's the huddle!

rack up two more for ferguson

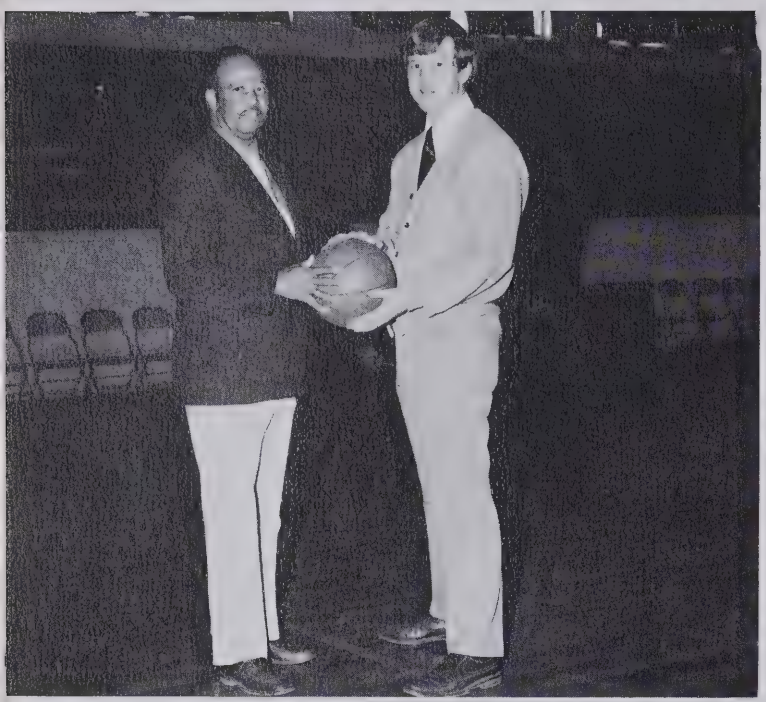

the war dance is on

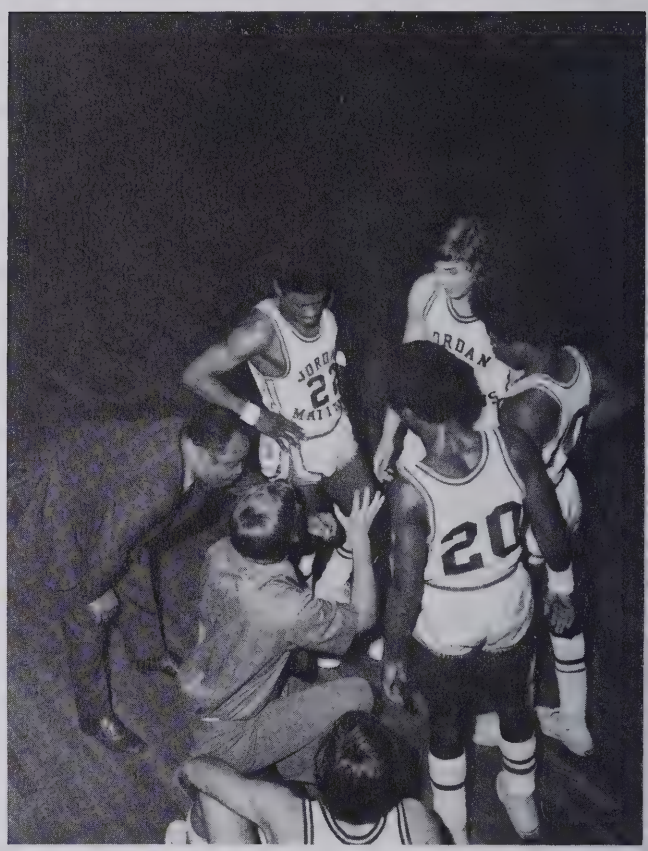

the jordan matthews girls' varsity basketball team, under their new boy's rules, did not acquire the winning record that they had hoped for. the shortness of the girls and inexperience of these rules hindered their way to victory. with only two seniors on the team their work and experience from this year should help them in their games next year. returning next year from the varsity squad are 4 juniors, 5 sophomores, and 1 freshman. we hope the student body will support the girls next year.

swish!

bobby gilmore leaps high for two

basketball . . . a word really close in so many ways to school. spirit . . . cheerleaders encourage "all for jm to stand up and holler" . . . basketball delights the students, faculty, and community.

rodgers and craven drive for beautiful two pointers . . . gilmore, bowden, hunter grab key rebounds . . . tension mounts as the score gets closer . . . siler, brower, sink two baskets . . . four points behind . . . reives scores — 2 points behind . . . edwards at free throw line . . . hits one, the second bounces off the front of the rim . . . collins rebounds and passes to graves . . . a shot . . . one point ahead . . . three seconds left . . . a shot by opponent . . . a miss . . . we win!

then comes baseball . . . as usual there is excitement, enjoyment, spirit, sports.

come on bunky, only ten more to go!

jm was proud of last year's track team. 1st row — al smith, jimmy withers, ellis moffitt, tony foxx, bunky graves, coach hedrick. 2nd row — keith jeffries, david wrenn, jesse burnett, dewey ferguson, keith buckner, steve phillips. 3rd row — waddell goldston, dennis brooks jackie cheek, jerry siler, norman jordan.

perry cheek shows good form for the next meet

get set . . . go!

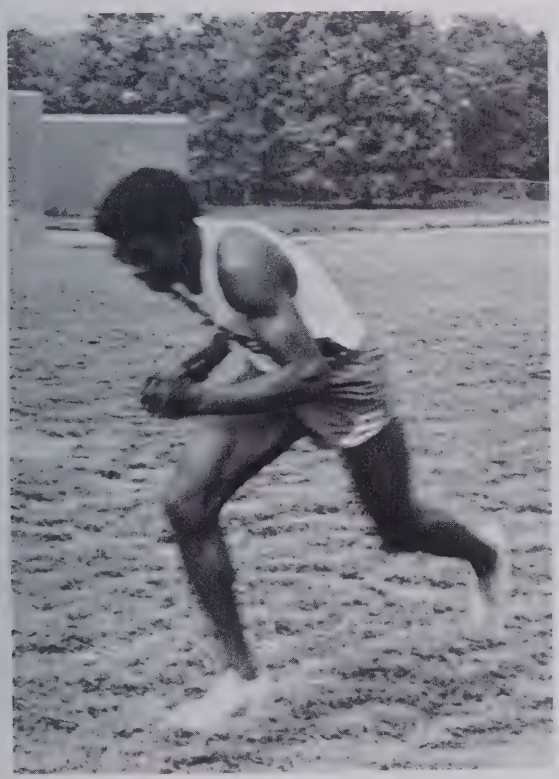

the 1970-71 jm track season proved to be most outstanding with many honors awarded to individual team members as well as the jets as a team.

among the outstanding individuals on the team were sprinter jerry siler, state champion in the 100 yd. dash, and 220 yd. dash. siler is the current school record holder in the 100 yd. dash at 9.9 seconds, and the 220 yd. dash with a time of 21.8 seconds. other standouts breaking existing school records were keith jeffries in the high jump at 6'1" and dennis brooks in the mile run with a time of 4:59.6. in addition, the 880 relay team consisting of robert newby, jackie cheek, bunky graves, and jerry siler are current record holders and state champions with a time of 1:30.1.

the list of team honors going to the jet tracksters was long. among them were:

first place — mid-south relays
first place — duke-durham relays
first place — nchsaa sectional meet
second place — central tarheel conference meet
third place — nchsaa regional meet
third place — nchsaa state meet

with ten lettermen returning for the 1971-72 season, jet fans can expect another outstanding season in track. and who knows — the team might even have a track to practice on this year.

faster than the speed of sound . . . more powerful than a locomotive . . .

what a figure

the golf pros at jm last year were sydney allred, ben howard, bill brady, dwight beane, buddy reece, lee gilliland, twig wood, ronnie carter.

coach sonny wilburn

tee time

the 1971 golf season was a rebuilding year for jm. the previous team had brought the central tarheel trophy to the jm gym, and all the members graduated that year.

all members of the 1971 team were inexperienced, as far as being lettermen. we still managed to be 4th in a seven team conference. our won-loss record was also better than .500.

the valuable experience gained by this team will undoubtedly help the 1972 golf team to a better finish, since most players return.

i'm so excited about jm that i could do a double back flip!

"we want to take you higher."

now we know where the missing books get to.

"well, did you hear about . . .?"

now we know why the bomb threats started.

silver and the lone "roger"

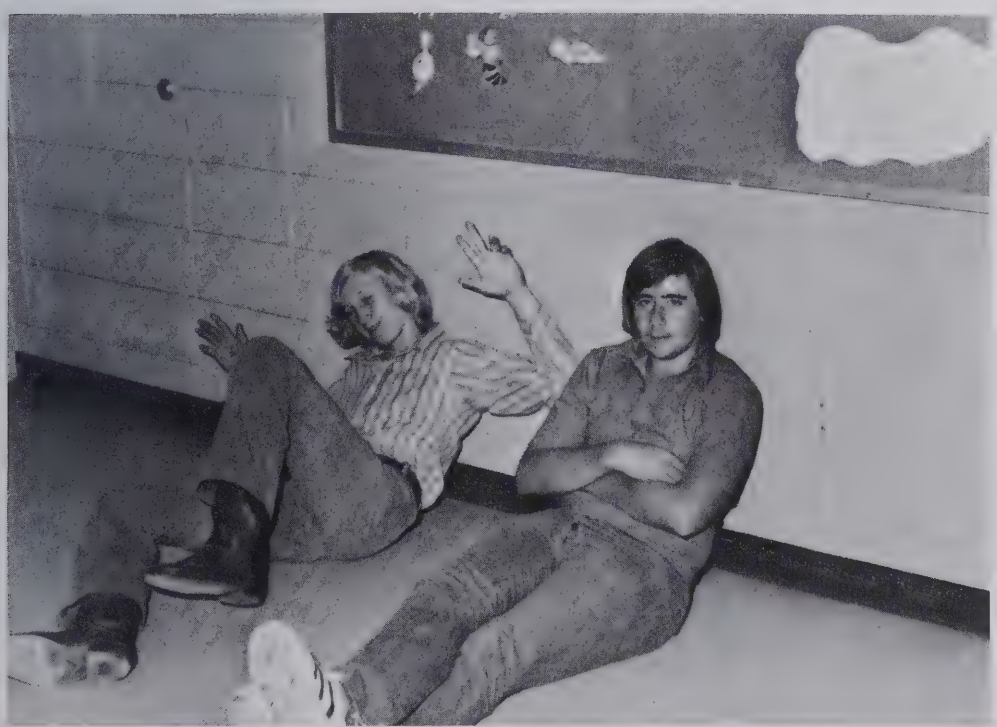

welcome to kathy's social club (oops) e-2 study hall.

hi ho silver!

picture of intelligence and get-up-and-go.

"doctor, this patient is dying of laughter."

"mrs. white, don't fight facts; this play will work!"

"are you sure julia child started this way?"

before . . .

kick the habit

. . . and after!

gosh! i hate i missed the bus. wonder how far it is to rohanen?

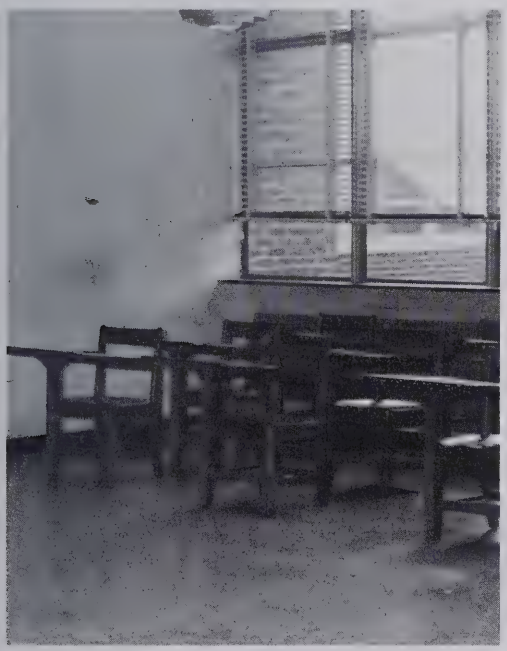

sometimes it's better to be alone.

isn't everything "ok"?

apathy club

meditation

boy, these freshmen get smaller every year.

it's quite evident jm's dress code has been changed.

tearing up the guidance office.
